

If You Really Wanna Know

Marc Dorsey

Whoa, whoa
Oh, whoa, oh, whoa, whoa, ho
If you really wanna know If you really wanna know
The truth about her
She's an ex-girlfriend of mine
A little thing that I kick on the side If you really wanna know (If you really wanna know)
The truth about her
She's a part of my life that I can't let go
I just can't let her go Baby, I apologize
I never meant to hurt you
But when you saw us together the other day
I didn't know what to say No, maybe I don't wanna bind
Just try and understand
That the way that I feel for her
Is not the way that I feel for you
So if you really wanna know If you really wanna know
The truth about her
She's an ex-girlfriend of mine
A little thing that I kick on the side If you really wanna know (If you really wanna know
Yeah)
The truth about her (Her)
She's a part of my life that I can't let go (Baby)
I just can't let her go Sugar, no, I can't deny
She's still in my heart
And if you really wanna know if I care for her
I think I better let you know that Nothing compares to the love she gives me
She's got that bomb love
So sorry if it makes you cry
But baby, I just can't let go If you really wanna know
The truth about her
She's an ex-girlfriend of mine (Ex-girlfriend)
A little thing that I kick on the side (Hey, yeah
Yeah) If you really wanna know (If you really wanna know)
The truth about her
She's a part of my life that I can't let go (She's a
Part of my life that I can't let go)
I just can't let her go Now baby, you know I care for you
But it's gonna take some time to get her out of my
Mind

I thought that I cold kick her to the curb
But she's truly got a hold on me, on me, babyBaby
If you really wanna knowIf you really wanna know
She was just a friend of mine, hey, hey, heyIf you really wanna know (Lady)
The truth about her
She's an ex-girlfriend of mine (I never meant to hurt
You, baby)
A little thing that I kick on the side (Kick on the
Side)If you really wanna know
The truth about her (Hey)
She's a part of my life that I can't let go
I just can't let her go (I don't wanna let her go)If you really wanna know (Never meant to hurt you
Baby)
The truth about her
She's an ex-girlfriend of mine (Hey, hey, hey)
A little thing that I kick on the side (Whoa, hoo)If you really wanna know (If you really wanna know)
The truth about her
She's a part of my life that I can't let go
(Oh, oh, oh, oh)
I just can't let her goIf you really wanna know (Lady)
The truth about her (But she's got that bomb love
Baby)
She's an ex-girlfriend of mine
A little thing that I kick on the side
