Fire Whispers (Album Version)

Stutterfly

It's not who you are
It's not what you ask for
You're better than this
It'll be different[prechorus]
Fire burns inside
Fire and tears collide
Fire whispers
Fire
Burns inside (x2)[chorus]
I am feeling so alone
Heart-strings pulled on broken bone
I am feeling so afraid
Bruised and bloody
Love betrayedNothing has changed
Wounds just grow deeper
With swollen eyes
Gather strength and leave[prechorus]
[chorus]It's not who you are (x3)I am feeling
I am feeling so alone...
