In My Dreams I Can Fly

Evergreen Terrace

I'm screaming outx2 But you dont hear what I say.
I'm grounded nowx2 In dreams I wish to fly away.
I scream with my anger my lungs gasp for oxygen.
When this comes I wont wake up.
I can sleep through lies and infidelity.
I will give all I can.
I will give all I have but I fear it's not enough.
I'm screaming out but you dont hear what I say.
I'm grounded now in my dreams I wish to fly away
