## Pebbles

Cherelle?

Yes, Pebbs

Have you ever loved someone so much

That you feel it deep down in your soul?

Girl, I truly have

Well, this is how I feel about the one I love

Let's sing it together Always boy, I never knew a love like you before

You came into my life and gave me more

You are my friend, also my man

And I'll love you always You, you just don't know what you've done for me

You gave me love and now I'm complete

You are the sun, the only one

And I'll love ya always Baby, don't leave me

Don't ever desert me

I'll promise my life to you

And I'll love you always Baby, don't leave me

Don't ever desert me

I'll promise my life to you

And I'll love you always I, wish I had known that you'd come for me

I was a soul that was lost and incomplete

You were my friend, and now you're my man

And I want you always I, I just don't know what came over me, boy

You touched my soul and let me feel free

Always be there, and baby don't be scared

'Cause I'll love ya always

Baby always Baby, don't leave me

Don't ever desert me

I'll promise my life to you

And I'll love you always Baby, don't leave me

Don't ever desert me

I'll promise my life to you

And I'll love you always My friend, you're my man

I do, I do, I do

I do love you You, you should know now that I'll never leave you

Well, I've searched the land and now I've found you

You are my man

My only man

And I'll love you always

Always Baby, don't leave me

Don't ever desert me  
I'll promise my life to you  
And I'll love you alwaysBaby, don't leave me  
Don't ever desert me  
I'll promise my life to you  
And I'll love you alwaysBaby, don't leave me  
Don't ever desert me  
I'll promise my life to you  
And I'll love you alwaysBaby, don't leave me  
Don't ever desert me  
I'll promise my life to you  
And I'll love you alwaysBaby, don't ever leave  
Don't ever leave me, please  
I promise unselfishly  
To love you alwaysBaby, don't ever go  
Don't ever leave me, no  
All the things that we've been through  
Still love you alwaysBaby, don't you ever go  
Don't you ever go  
Never leave you, no  
You must stay always  
And I'll love you alwaysBaby, don't you ever go  
Don't you ever go  
Never leave you, no  
You must stay always  
And I'll love you alwaysBaby, don't ever leave  
Don't ever leave me, please  
I promise unselfishly  
To love you alwaysBaby, don't ever go  
Don't ever leave me, no  
All the things that we've been through  
Still love you alwaysBaby, don't you ever go  
Don't you ever go  
Never leave you, no
