

# Please (Remix) (ft. Kayzure Sakar)

## Toni Braxton

I know you watch all over here  
Tryin' to find a way to  
Come into my situation  
But you should know this  
It's all good, so be cool  
Tell your girl I don't care to fight  
I got him locked and he's all mine  
So you should know better than  
To think that you could ever  
Put it down like I can If he needs good lovin' (I got it)  
If I need to heat it up (I got fire)  
Make sure I'm the best (for him) for (sure)  
He's running home to me for it  
And he knows  
Whatever he wants (that I'm with it)  
And he knows  
The perfect place (to come get it)  
And he knows that every woman's in me  
Fall back and just let me be I gots to breathe (uh oh, uh oh, uh oh) please  
Back up off me  
I gots to breathe and just be  
Breathe, please  
In case y'all didn't hear me, yeah, yeah  
I gots to breathe  
So let me breathe, please You're in violation  
Let me help you understand  
Before we have a problem  
I could take it there  
When it comes to my man  
Please, don't let me solve 'em  
Every day is a holiday  
Every day's our anniversary  
You should think about the time you waste  
'Cause my last name ain't gonna change
