Purple Light (feat. Doja Cat)

[Elliphant](#)

Advisory - the following lyrics contain explicit language:

[Verse 1 - Elliphant:]
Reaching up, for the glass
Come on na, fill it up
Been empty for some time, come on fill me up
Crack me up and rope a boo-nah, bend it up
Burning, purple fire
Come on na, answer right
Staying this, for a while
Suck a fingertips shut up na don't be shy
Got a ciggy for a pretty smile (come on)
I'm cool, you purple fire[Chorus 1:]
(Oh) Ready for the purple light
(Oh) Walk me through the purple light
(Oh) Need you with to take me
(Oh) You ready na, ready na[Verse 2 - Elliphant:]
Let's unite, in a bee
Yo what's up, lemme be
One beautiful regret, I'm falling free
Don't forget, there's a war
I let you beat me 'cuz I won before[Pre-Chorus:]
All is gone, you are drunk, I need more to get me some
Get you shit, let's get up, need to strive before we cool off
High again, you are young
And for the night we go unite as one[Chorus 2:]
(Oh) Ready for the purple light
(Oh) Walk me through the purple light
(Oh) Need you with to take me
(Oh) You ready na, ready na
(Oh) Lemme in the purple light
(Oh) I wanna be in purple light
(Oh) Young star will you take me
(Oh) You ready na, ready na[Verse 3 - Doja Cat:]

Yeah, don't make me count to six
Give you tink, time out time out
Keep your weapon and wipe your mouth
Rice pouring and Imma mouth this six
Tell me Doja that her's no fail
See my team we just circle squad
Bad bitches wear purple hair, where attitudes ain't no make up bad
Ah ah look at what they call track them
Keep them rats I won't kept bitch in
Burn all your opinions, I don't give them attention
Can't you see yourself perfect na
Spin yourself them girls don't bite
Passing them in a circle higher, burn that fire that purple light[Chorus 2][Outro:]
Oh (You lookin' for the purple)
Oh (The purple juice)
Oh (Make a purple juice na)
Oh (I stop to pray for you na)
Oh (See this is the road)
Oh (In a [?])
Oh (Make a [?] man, take my hand)
Oh (Ready for this purple fire)
