

Lost Stars

Maroon 5

Please don't see
Just a boy caught up in dreams and fantasies
Please see me
Reaching out for someone I can't see
Take my hand, let's see where we wake up tomorrow
Best laid plans sometimes are just a one night stand
I'll be damned, Cupid's demanding back his arrow
So let's get drunk on our tears
And God, tell us the reason youth is wasted on the young
It's hunting season and the lambs are on the run
Searching for meaning
But are we all lost stars trying to light up the dark?
Who are we?
Just a speck of dust within the galaxy?
Woe is me
If we're not careful turns into reality
But don't you dare let our best memories bring you sorrow
Yesterday I saw a lion kiss a deer
Turn the page, maybe we'll find a brand new ending
Where we're dancing in our tears
And God, tell us the reason youth is wasted on the young
It's hunting season and the lambs are on the run
Searching for meaning
But are we all lost stars trying to light up the dark?
And I thought I saw you out there crying oohoo
And I thought I heard you call my name yeah yay yay
And I thought I heard you out there crying
No, just the same oh yeah yeah yeah
God, give us the reason youth is wasted on the young
It's hunting season and the lambs are on the run
Searching for meaning
But are we all lost stars trying to light up the dark?
And I thought I saw you out there crying oohoo
And I thought I heard you call my name oohoo
And I thought I heard you out there crying
But are we all lost stars trying to light up the dark?
But are we all lost stars trying to light up the dark?
