Like it's Noah's Arc, that pussy wet, no water-park

She said drop that meat in me just like a shopping cart

She told me head straight to the back just like I'm rosa parks

Walked up in the bank with pack that smell like donkey fart

Moose game poison dagger aye

Fuck my conscience, I'll stab ya

ask that hoe was rackin?

Slide up on a nigga like a care package

Bare in that pussy, like Smokey

Chain swing like rodeo ropo
Diamonds so wet that they soapy
Watch them mingle like they do the hokey-pokey
Aye yo' color diamonds humpty dumpty horror story
Feel like dexter got to put these in my laboratory
Eat it with the sweet-sour sauce like six-piece sauce
Freedom; Fuck the cops, free Keke
Wreck a pussy nigga, come see me uh
I make you say goodbye like a oujia
