

# I Heard It's The Softest Thing Ever

## Day To Remember@ @a

Tonight I'm sending a message  
This is the end of an era  
The end of second chances  
In the face of defeat  
I'm winning  
Yet, you still have so much left to say

They're coming straight for me

Just let me go for now  
I'll be just fine  
Don't ya know now that I'm back on my own

Tell me how it feels to watch the walls of your security crumble  
I remember you, you took the easy way out when I gave you something to stand for

They're coming straight for me

Just let me go for now  
I'll be just fine  
Don't ya know now that I'm back on my own

I was just another promise that you couldn't keep
