

May I Have a Talk With You

[Stevie Ray Vaughan](#)

Well now now darlin' may a have a little talk with you
Well now now now now darlin' may a have a little talk with you
Because it won't be long before our true love will be through Well now now darlin' am i right or am i wrong
Yeah now now now darlin' am i right or am i wrong
Because it won't be long before our true love will be through You know i like my coffee sweet in the morning
And I'm crazy about my tea at night
Yeah I like my coffee sweet in the morning
And I'm crazy about my tea at night
You know you'd come out a little better now baby
All i want you to do is treat me right
