

# Mercy

**Bethel Music & Amanda Cook**

My past embraced  
My sin forgiven  
I'm blameless in Your sight  
My history rewritten My past embraced My sin forgiven I'm blameless in Your sight  
My history rewritten You delight in showing mercy  
And mercy triumphs over judgement  
You delight in showing mercy  
And mercy triumphs over judgement  
Oh love, great love  
Fear cannot be found in You  
And there will never be a day  
You're uncertain of the ones You choose  
You delight in showing mercy  
And mercy triumphs over judgement  
You delight in showing mercy  
And mercy triumphs over judgement  
You delight in showing mercy  
And mercy triumphs over judgement  
You delight in showing mercy  
And mercy triumphs over judgement  
So I will wake  
And spend my days  
Loving the One who has raised me up  
From death to life  
From wrong to right  
You're making all things beautiful  
So I will wake  
And spend my days  
Loving the One who has raised me up  
From death to life  
From wrong to right  
You're making all things beautiful  
So I will wake  
And spend my days  
Loving the One who has raised me up  
From death to life  
From wrong to right  
You're making all things beautiful  
So I will wake

And spend my days  
Loving the One who has raised me up  
From death to life  
From wrong to right  
You're making all things beautiful  
You're making all things beautiful  
You're making all things beautiful  
You're making all things beautiful  
You delight in showing mercy  
And mercy triumphs over judgement  
You delight in showing mercy  
And mercy triumphs over judgement  
You delight in showing mercy  
And mercy triumphs over judgement  
You delight in showing mercy  
And mercy triumphs over judgement
