

# Something Blue

## Claire Tchaikowski

So little so late  
You come and go, and no my love I can't wait  
So little so late  
So I'll be moving on right now

I tried but I get lonely  
Inside I'm always hungry for more  
I wish you'd given it all

Go now  
Do your something blue for a lifetime  
I will trust, I will try, I will learn  
I will hold and be still till we know  
Go now  
To your heart, for you, for a lifetime  
I will trust, I will try, I will learn  
I will love like I've never been hurt

So little so late  
The more I say, the more this is a nightmare  
So little so late  
Don't want to move at all right now

I tried but I get angry  
I'm tired of feeling hungry for more  
I wish you'd given it all
