

# Til I Forget About You

## Big Time Rush

Kendall:

Get a call on a random afternoon  
I pick it up and I see that it's you  
Like my heart you were breaking the news  
You say "It's over, It's over, It's over" Headin' Out cause' I'm outta my mind  
All my friends are gonna see me tonight  
Stayin' here till the sun starts to rise  
And I, I'm gonna, I'm gonna, I'm gonna Dance hard, laugh more turn the music up now  
Party like a rockstar, can I get a what now?  
I swear I'll do, anything that I have to  
Til I forget about  
Jump hard, fall down gotta play it loud now  
Don't care, my head's spinning all around now  
I swear I'll do, anything that I have to  
Til I forget about you  
(music break)

Til I forget about you Carlos:

You thought I'd be here on my own  
Waiting for you to knock on my door  
Since you left I don't wait by the phone  
I'm moving, I'm moving, I'm moving I found a place where I can lose myself  
And just leave your memory on the shelf  
See, I'm fine, no I don't need nobody else  
Cause I'm going, I'm going, I'm going Dance hard, laugh more  
Turn the music up now  
Party like a rockstar  
Can I get a what now?  
I swear I'll do anything that I have to  
Til I forget about  
Jump hard fall down  
Gotta play it loud now  
Don't care, my head's  
Spinning all around now  
I swear I'll do anything that I have to  
Til I forget about you Logan:  
Spendin' money like I don't mean a thing  
I'm going crazy now I don't even think  
I'm losing my mind, that's all I can do  
Til I forget about you Til I forget about you I can't forget about you
