Here for the Party

Gretchen Wilson

Well I'm an eight ball shooting, double fisted drinking son of a gun

I wear my jeans a little tight just to watch the little boys come undoneI'm here for the beer and the ball busting band

Gonna get a little crazy just because I canYou know I'm here for the party

And I ain't leavin' till they throw me out

Gonna have a little fun, gonna get me some

You know I'm here, I'm here for the partyI may not be a ten but the boys say I clean up good

And if I gave 'em half a chance for some rowdy romance

You know they wouldI've been waiting all week just to have a good time

So bring on them cowboys and their pick up linesYou know I'm here for the party

And I ain't leavin' till they throw me out

Gonna have a little fun, gonna get me some

You know I'm here, I'm here for the partyDon't want no purple hooter shooter, just some jack on the rocks

Don't mind me if I start that trashy talkYou know I'm here for the party

And I ain't leavin' till they throw me out

Gonna have a little fun, gonna get me some

I'm here You know I'm here for the party

And I ain't leavin' till they throw me out

Gonna have a little fun, gonna get me some

You know I'm here, I'm here for the party, yeahI'm here for the party, I'm here for the party

Just try to throw me out

I'm here for the party, just try to throw me out

I'm here for the party, yeah
