I Knew You When

Linda Ronstadt

Yeah yeah yeah yeah Yeah yeah yeah, heyI knew you when you were lonely I knew you when you were only A boy all alone without love I knew you whenI knew you when You were sad and all alone

You didn't have anyone

That you could call your ownI knew you when

Your heart belonged to only me

But that was many tears ago

Now your love is just a memory Yeah yeah yeah, heyI knew you when you were lonely

I knew you when you were only

A boy all alone without love

I knew you when, I knew you whenI knew you when

We used to have a lot of fun

But someone came and offered more

Now I'm the lonely oneI knew you when

I was just a scared little girl

I used to be your only love

Before you came up in the worldYeah yeah yeah yeah Yeah yeah yeah, heyI knew you when you were lonely

I knew you when you were only

A boy all alone without love
