Stay Forever

Catching Flies

In the morning sun, I couldn't tell you
I couldn't tell you so many things
About how much I really love you
About how much you really mean
So far away but it's so easy to see you
When I'm away I want to put my arms around you
And I want to know do you feel the same way?
'Cause if you do I want to stay forever
And I want to know do you feel the same way?
'Cause if you do I want to stay forever
With you
So many colors that surround you
Some so bright, I can hardly see
A light reflects on all the things that make you real
Things that make you truly free
So far away but it's so easy to see you
When I'm away I want to put my arms around you
And I want to know do you feel the same way?
'Cause if you do I want to stay forever
And I want to know do you feel the same way?
'Cause if you do I want to stay forever
With you
