

Lost (S-Man Radio Edit)

[Roger Sanchez](#)

Remember how it used to be
Remember you were still in love with me But you turned the way
And I start to cry
I'm lost without your love
And I won't survive Don't leave me
Alone tonight
I'm lost without your love
And I won't survive Don't leave me
Cause I won't survive
I'm lost without your love
And I won't survive I can't believe that we are thru
Is it someone else
Have you found somebody new Cause at the inside
Every-time I close my eyes
And imagine myself living without you But you turned the way
And I start to cry
I'm lost without your love
And I won't survive Don't leave me
Alone tonight
I'm lost without your love
And I won't survive Don't leave me
Cause I won't survive
I'm lost without your love
And I won't survive etc...
