Sheâ€™s my baby,  
at the tip of her white hands  
Is a melted chocolate  
Youâ€™re walking into my door,  
oh yeah

Sheâ€™s my lady,  
in your dazzling lips  
Iâ€™m a slave for it  
Iâ€™m running into your heart,

oh yeah

Show me more of yourself to me (donâ€™t lie)  
If you are honest with me (itâ€™s gonna be easy)  
A sweet harmony that couldnâ€™t be felt before  
Donâ€™t be too late!

Iâ€™m not a friend  
I want to be a man to you  
Iâ€™m not just some person  
Iâ€™m the only one person  
to protect you

Iâ€™m not a friend  
Already from the moment  
I first saw you  
Iâ€™m not just saying this  
Lady, itâ€™s only you

Itâ€™s scattered on top of the table,  
messily spilled  
My shaken and clumsy love confession  
Are you ready for love?

Your eyes are more beautiful  
and more stealable than a diamond  
In there, I want to only dream of you

Donâ€™t pretend you donâ€™t know,  
lift your head and look at me  
Donâ€™t avoid my eyes,  
I canâ€™t give up on you

Come a bit closer to me (donâ€™t stop)  
When I embrace you (everythingâ€™s alright)  
The melody flows as if it tickles my ears  
Donâ€™t be too late

Iâ€™m not a friend  
I want to be a man to you  
Iâ€™m not just some person  
Iâ€™m the only one person  
to protect you

Iâ€™m not a friend  
Already from the moment

I first saw you  
Iâ€™m not just saying this  
Lady, itâ€™s only you

Iâ€™m not a friend  
My lady  
Iâ€™m not just saying this  
Lady, I give you my love

Sheâ€™s my baby,  
at the tip of her white hands
