

Drip

Diligentz

shout shout let it all out these are the things i can do without so come on im
talkin to you so come on you know your beaten when your legs are stiff your lips are frozen i but a nut
on your tits chorus-
i will kill you i want to kill you get with her and then your dead i will
kill you i want to kill you cut off your not and glue them to your head your just insane i made your death
bed...as i listen to the dripping water i make believe that i never forgot her
leaving me to burn in the fire as i listen to the dripping water (chorus) i am dead now your are dead now i am
dead now we are dead now
