

And No More Shall We Part

Nick Cave & The Bad Seeds

And no more shall we part
It will no longer be necessary
And no more will I say, dear heart
I am alone and as she has left me
And no more shall we partThe contracts are drawn up
The ring is locked upon the finger
And never again will my letters start
Sadly or in the depths of winter
And no more shall we partAll the hatchets have been buried now
And all of birds will sing to your
Beautiful heart upon the bough
And no more shall we partYour chain of command has been silence now
And all of those birds would've sung
To your beautiful heart, anyhow
