

My Life

Slaughterhouse

[Cee-Lo Green - Hook]

This is my motherfucking life (my life, oh yeah)

This is my motherfucking life (my life, oh yeah)

This is my motherfucking life

[Crooked I]

S-L-A U-G-H T-E-R-H-O-U-S-E

Yes we are the best in the biz

The west in the bitch

This Eastside money over coochie man

645 when dip through the burbs

I be on my Gucci Man

Smash on the gas, kick a bitch to the curb

House in the hills, thousands and mills

Getting wild in the field with your spouse in Brazil

On ounces and pills, how does it feel?

To count dollar bills that I found off skills

Check it out, Jets fly private

Nigga S5 Hybrid, baby test drive my whip

Im in Bed Stuy with my chick

On my westside fly shit

Pulling out minks when the weather get chilly

Left Eye side kick

Now dont you niggas go chasing waterfalls

These bitches wall to wall

And they love

[Hook x2]

This is my motherfucking life (my life, oh yeah)

This is my motherfucking life (my life, oh yeah)

Jets fly private, Nigga S5 Hybrid, Baby test drive my whip

This is my motherfucking life (my life, oh yeah)

Jets fly private, Nigga S5 Hybrid, Baby test drive my whip

This is my motherfucking life (my life, oh yeah)

This is my motherfucking life

[Joell Ortiz]

Sometimes I look around and I just

I just cant believe it

Im on a high like a falsetto

Maybe thats why I feel like Im dreaming

My eyes just quit

Look what Im seeing, my life just shifted
I feel like Im breathing
Light that spliff, now I dont even smoke cause it burn my throat but tonight Im steaming
Tron in my cup, holding mine up, toasting to the slut that I know Im gon fuck
In these five star sheets, put her right to sleep
Then kick the bitch out when I wake up
Even though baby girl got a large ol ass
I remember praying that my car goes last
Now my car so fast that I dont think youll understand it in a Murcielago dash
When you ride through the dirt and you work til it hurt than you end up on Marshalls staff
Hoping that your granny get to see you at the Grammys
Get a call from your family that your grandma passed
Then you know what you promised her
So that you stay hot as a, thermometer, dipped in lava
So proud to be part of a conglomerate, like this

[Hook]

[Cee-Lo Green - Bridge]

Every time that they ? us
Put your hands up high if youre happy you made it
Its a been a sleep when I say it
Since Im alive might as well celebrate

[Hook]

[Joe Budden]

What a success story
When the film plays it gets less gory
My son didnt know who his pop was for years
Now its less Maury, God put it there as a test for me
Used to walk around with a vest at 40
Cops tryna mess hall me
Now babes with the 44Fs adore me
I took the rock and a hard place and made the best orgy
Now the fans approach I get paranoid
Where Im from tell me never let youre guard rest
But its simple to disregard stress
Hoes run to the pole and they far fetched

[Royce Da 5'9"]

Now jets fly high shit
That Panamera Porsche thats Ryans fly whip
As a kid I was playing tag, now Im it!
For those of yall that dont remember me
Im a Detroit old Parker
Went from no office to offers
I told yall I would get my daddy out the post office
And so far I dont really need to own my city
Just as long as the D is on my fitted

My sons and my daughter and my wife is along for the ride
This is the motherfucking life
[Hook]
