Nadine

Belairs

I said nadine, whatcha thinkin' of?
Why don't you love me like you did again
Because lately, all the stars above
Have been holding hands and singing your name
Well unchain me from your ball of love
And I promise not to sin again
Because nadine, you're the only one
Drives all the boys crazy insane
She doesn't love me quite
The way that I hoped she would
Nadine's got that certain vibe
That makes you feel
You ain't doing the things you should
I said nadine, it's you I'm dreaming of
And there's one thing I wanted to say
And that's maybe, when all is said and done
We can be lovers at the end of the day
No one in this world
Makes me feel the way she do
Oh nadine made me feel so fine
And then she made me feel so blue
Well I just used to sit and smile
And think it wasn't meant to be
'cause I don't know
If you were mine
I don't think I would know just what to do with you
Nadine
I said nadine, tell me what you're thinking of
I said nadine, I'm in love
I said nadine, tell me about the stars above
I said nadine, I'm in love
