

# Bulletproof

Stan Walker

It's been a while, I'm back again  
I'm stronger now, I'm not afraid  
To say that I was so wrong, wrong, yeah, yeah  
You shut me out, won't let me in  
We both don't know where to begin  
I took a shot, but you're shooting me down, down, down Ooh, ooh, ooh, ooh  
Eh, let me hear you say  
Ooh, ooh, ooh, ooh  
Can you hear me crying out [Chorus]  
Oh, if only I could get through to you  
There's something I wanna say to you, yeah  
Oh, and I just can't get through to you  
It's like your heart is bulletproof, bulletproof  
Eh, what you say, what's it gonna take now  
What's it gonna take  
Eh, what you say, what's it gonna take now  
What's it gonna take I know this game, what you're trying to do  
You're playing me like I'm the fool  
But don't you know you're starting this fire, yeah, yeah, yeah  
You know it hurts, we've been burned before  
Had the devil come knocking at my door  
The day has come for us to win this fight, yeah, yeah, yeah Ooh, ooh, ooh, ooh  
Eh, listen to me say  
Ooh, ooh, ooh, ooh  
Can you hear me crying out [Chorus]  
Oh, if only I could get through to you  
There's something I wanna say to you, yeah  
Oh, and I just can't get through to you  
It's like your heart is bulletproof, bulletproof  
Eh, what you say, what's it gonna take now  
What's it gonna take  
Eh, what you say, what's it gonna take now  
What's it gonna take [Instrumental] Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Can you hear me crying out [Chorus]  
Oh, if only I could get through to you  
There's something I wanna say to you, yeah  
Oh, and I just can't get through to you  
It's like your heart is bulletproof, bulletproof

Eh, what you say, what's it gonna take now  
What's it gonna take  
Eh, what you say, what's it gonna take now  
What's it gonna take
