With Me

Graydance

I don't want this moment to ever end
Where everything's nothing without you
I wait here forever just to, to see you smile
'Cause it's true, I am nothing without you
Through it all I've made my mistakes
I stumble and fall but I mean these words
I want you to know with everything I won't let this go
These words are my heart and soul
I'll hold on to this moment you know
As I bleed my heart out to show and I won't let go
Thoughts read unspoken forever and now
The pieces of memories fall to the ground
I know what I did and how so, I won't let this go
'Cause it's true, I am nothing without you
All the streets where I walked alone
With nowhere to go have come to an end
I want you to know with everything I won't let this go
These words are my heart and soul
I'll hold on to this moment you know
As I bleed my heart out to show and I won't let go
In front of your eyes it falls from the skies
When you don't know what you're looking to find
In front of your eyes it falls from the skies
When you just never know what you will find
What you will find, what you will find
What you will find, what you will find
I don't want this moment to ever end
Where every thing's nothing without you
I want you to know with everything I won't let this go
These words are my heart and soul
I'll hold on to this moment you know
As I bleed my heart out to show and I won't let go
I want you to know with everything I won't let this go
These words are my heart and soul
I'll hold on to this moment you know
As I bleed my heart out to show and I won't let go
