

# With Me

## Graydance

I don't want this moment to ever end  
Where everything's nothing without you  
I wait here forever just to, to see you smile  
'Cause it's true, I am nothing without you  
Through it all I've made my mistakes  
I stumble and fall but I mean these words  
I want you to know with everything I won't let this go  
These words are my heart and soul  
I'll hold on to this moment you know  
As I bleed my heart out to show and I won't let go  
Thoughts read unspoken forever and now  
The pieces of memories fall to the ground  
I know what I did and how so, I won't let this go  
'Cause it's true, I am nothing without you  
All the streets where I walked alone  
With nowhere to go have come to an end  
I want you to know with everything I won't let this go  
These words are my heart and soul  
I'll hold on to this moment you know  
As I bleed my heart out to show and I won't let go  
In front of your eyes it falls from the skies  
When you don't know what you're looking to find  
In front of your eyes it falls from the skies  
When you just never know what you will find  
What you will find, what you will find  
What you will find, what you will find  
I don't want this moment to ever end  
Where every thing's nothing without you  
I want you to know with everything I won't let this go  
These words are my heart and soul  
I'll hold on to this moment you know  
As I bleed my heart out to show and I won't let go  
I want you to know with everything I won't let this go  
These words are my heart and soul  
I'll hold on to this moment you know  
As I bleed my heart out to show and I won't let go
