

Thirsty

AJR

Thirsty Thirsty Thursday
Yodel-lay Yodel-lay - eehoo
Thirsty Thirsty Thursday

Iâ€™m up and I raise my cup
Singing â€œeverything is goldâ€•
Crew neck and a white, blank check
Iâ€™ll be moving on my own
(Yodel-lay-eehoo)
Well Iâ€™m done sippinâ€™ on that love
Itâ€™s another bumpy road
But Iâ€™m up and I raise my cup
And I wanna take her home
(Yodel-lay-eehoo)

I run my mouth
Donâ€™t got a lot to say
Girl on fire
Could burn my heart away
We are young
But we can make it rain

Itâ€™s Thirsty Thirsty Thursday
Yodel-lay Yodel-lay - eehoo
Thirsty Thirsty Thursday

Iâ€™m up and I raise my cup
See you bouncinâ€™ on the floor
Perfume in a hotel room
We go bouncinâ€™ back for more
(Yodel-lay-eehoo)
Well Iâ€™m loe sippinâ€™ on that fun
Itâ€™s a feeling we adore
But Iâ€™m up and I raise my cup
And I wanna take her home
(Yodel-lay-eehoo)

I run my mouth
Donâ€™t got a lot to say
Girl on fire

Could burn my heart away
We are young
But we can make it rain

It's Thirsty Thirsty Thursday
Yodel-lay Yodel-lay - eehoo
Thirsty Thirsty Thursday

Oooh

We're so thirsty
Got no one except me
We're so gutsy
When no ones watching

Thirsty Thirsty Thursday

Thirsty Thirsty Thursday
Yodel-lay Yodel-lay - eehoo
Thirsty Thirsty Thursday
