

Standing Still

Insted

My eyes can't bear to see. I hope the best to come. Games I can't stand to play. Maybe it's my fault? Give me the time of day so I can feel and see. Searching within inside myself. Always looking ahead. Soft heart, I really care. Shallow feelings - I can't bear. Broken heart - I still care. Mutual feelings, it's not there. I wait for the moment. Bad vibes are here. Asking for a question? Trying to get an answer. The door seems locked or is it really open? Only time will tell why I am standing still. Soft heart, I really care. Shallow feelings - I can't bear.

Broken heart - I still care. Mutual feelings, it's not there
