

Swim

In Flames

As we build a brand new planet
Lets reconstruct and get it straight
Unlock forgotten skills
Travel to a new dimension
Souls from the dark seduction
(Take heed), we are the new invention
We're the settlers of year zero
Lets reconstruct and take it back
Leaders of our time
Heading for a downfall
The thresh hold of revolution
(Take heed) The last freedom call
Blanked out fire etched on the crystal display
The sees are deep
You better swim
Don't go numb
Collect the word, add some gold and give it back
The sees are deep
You better swim
Don't go numb
From a thousand branches
Spreading the new voice
As we're heading for the throne
Connect, evolution will begin
