

Look Who's Blue (Re-Recorded In Stereo)

Don Gibson

Please, please have pity on me
Oh can't you see that I'm in misery
Please, please I'm begging like a fool
Whoa is me look who's blue There ain't no girl that's ever gonna tie me down
I'm going out each night to paint the town
Well I was doing fine till I met you Whoa is me look who's blue
Please, please have pity on me
Oh can't you see that I'm in misery
Please, please I'm begging like a fool Whoa is me look who's blue
Please, please have pity on me
Oh can't you see that I'm in misery
Please, please I'm begging like a fool
