

Best Part of Me

Busby Marou

I used to leave a spare house key
Underneath the welcome mat
Thinkin bout those little things
Always seems to take me back Now I leave the door ajar
Ever since you walked out the room
I don't know where you are
But I'm hopin you come home
Soon oooooon oooooon My cards are down
I face the truth The best part of me is you ooooooo ooooo
Cause I've got nothin left to lose
The best part of me is you
We used to both call in sick
When the weather turned it on
40 k's to the beach
And it feels 40 k's too long Remember when we used to stay
10th floor at Bayview
Now it's overtime and take-away
Even when the skies are blue ooooooo ooooo My cards are down
I face the truth
The best part of me is you ooooooo ooooo
Cause I've got nothin left to lose
No matter how long it takes I'll undo my mistakes
I will run to the edge of the world and back
I will run to the edge of the world and back
If I do all I can
Would you understand
If it's all I need to prove
The best part of me is you ooooooo ooooo
My cards are down
I face the truth
The best part of me is you ooooooo ooooo Cause I've got nothin left to lose
The best part of me is you ooooooo ooooo Cause I've got nothin left to lose
The best part of me is you The best part of me is you
