Sometimes

Joey Tempest

Sometimes I no longer think
I have to leave this town alive
Sometimes I get over the feeling
That I'm living undergroundYou're always just in time
'Cause when I'm feeling lost
A little means a lot
When I've given all I've got
A little means a lot
A few small words from youSometimes I close my eyes
I dream a sky in this basement
Sometimes I'm living without
Having to know every answerYou're always just in time
'Cause when I'm feeling lost
A little means a lot
When I've given all I've got
A little means a lot
A few small words from you
