Out Of This Club

The Pussycat Dolls

[Chorus]
Baby won't you take me out of this club
I wanna be with you
Baby let me take you out of this club
I make your dreams come true
Baby won't you take me out of this club
I wanna be with you

I smiled enough
I flirted enough
I posed enough
Got freaky enough

Took pictures enough
Conversated enough
I sipped enough
I got enough

I see a cute boy chilling in some jeans and Tim's
I think I like him and I just might leave this club with him
And this swagger tight I'm feeling two's on me
Make me wanna, wanna, wanna got with him

VIP like "Hey"
Dissing with my girls like "Hey"
Then I call him off to meet me
I couldn't resist, so sexy

DJ get on the mic
And make them, from the front to the rear
Y'all ain't gotta go home
But you gotta get the hell up outta here

[Chorus]

I drank enough
I danced enough
I partied enough
I sweated enough

I stuttered enough
I flossed enough
I snapped enough
Two step enough

Now I want this awesome woman up in this club
And I like her and I wanna leave this club with her
Ever since the mama broke it down to the floor
I say she ready she ready she ready to go, to go

Then I got behind her like "hey"
She pushed it on me like "hey"
And she ain't scared to get dirty
Even though she's so pretty purdy

DJ get on the mic
And give us head from the front to the rear
Y'all ain't gotta go home
But you gotta get the hell up outta here

[Chorus]

Baby won't you take me out of this club
I wanna be with you
Baby let me take you out of this club
I make your dreams come true
Baby won't you take me out of this club
I wanna be with you
Baby let me take you out of this club
I make your dreams come true
