

Never Change Me

Shawn Desman

You can never change me
Never tame me
I'll keep on doing what I do
I thought you knew Why you wanna change me?
Quit bugging me
I'll keep on doing what I do
So it's up to you We started out fine, I thought you were right
Girl, I was mistaken
You criticize me and all that I do
And the friends I have too You loved what I did and all that I said
So why you wanna change me?
I see it all now, it's all so clear
What you try to do to me You aren't the same
You want me in chains
But baby, no way, no You can never change me
Never tame me
I'll keep on doing what I do
I thought you knew Why you wanna change me?
Quit bugging me
I'll keep on doing what I do
So it's up to you You can never change me
Never tame me
I'll keep on doing what I do
I thought you knew Why you wanna change me?
Quit bugging me
I'll keep on doing what I do
So it's up to you, no, no, no more Ain't taking no more and that's for sure
In case you didn't know that
I'll do what I do, I'll be who I be
Do you even know me? What happened to you, you used to be cool
But now you acting crazy
Quit nagging on me, I got to feel free
So you just have to trust me You aren't the same
You want me in chains
But baby, no way, no, no You can never change me
Never tame me
I'll keep on doing what I do
I thought you knew Why you wanna change me?
Quit bugging me

I'll keep on doing what I do
So it's up to you You can never change me
Never tame me
I'll keep on doing what I do
I thought you knew Why you wanna change me?
Quit bugging me
I'll keep on doing what I do
So it's up to you You know that I'm here for you, baby
My love goes all for my ladies
Why can't you refuse to be?
Everything you do, girl, you try to control me I am who I am
You can't change that man
A true playa in a game
I'm Mr. Shawn Desman I got to keep it real
You gotta understand because [Incomprehensible]
You're number one champion
You better recognize You could never change me You can never change me
Never tame me
I'll keep on doing what I do
I thought you knew Why you wanna change me?
Quit bugging me
I'll keep on doing what I do
So it's up to you You can never change me
Never tame me
I'll keep on doing what I do
I thought you knew Why you wanna change me?
Quit bugging me
I'll keep on doing what I do
So it's up to you You can never change me
Never tame me
I'll keep on doing what I do
I thought you knew Why you wanna change me?
Quit bugging me
I'll keep on doing what I do
So it's up to you You can never change me
Never tame me
I'll keep on doing what I do
I thought you knew Why you wanna change me?
Quit bugging me
I'll keep on doing what I do
So it's up to you, yeah, yeah
