

# Over My Heart

[Eric Martin](#)

I've been burned by love fooled by deception  
Even though times have changed  
I still feel the pain  
I would hold back my true emotions  
And if someone got close  
I would change my direction  
You walked into the picture  
Right into my soul  
I knew from the first night together  
I never had a chance  
I'm in over my heart this time  
Didn't know how I could be so blind  
I was playing it safe but I made a mistake  
Ignoring the danger signs  
I'm in over my heart  
Over my heart this time  
When you told me you loved me  
I got lost for a minute  
Tangled in silence  
Nothing to say  
I was in love but I didn't know it  
The look on my face was a dead giveaway  
You walked into the picture  
Right into my soul  
I knew from the first night together  
I never had a chance  
I'm in over my heart this time  
And I can't get out of my mind  
It's like I'm frozen in place  
And I just can't run away  
I'm in over my heart this time  
Don't know how I could be so blind  
I was playing it safe but I made a mistake  
What kind of fool am I  
I'm in over my heart  
Over my heart this time
