

Your Name Here (sunrise Highway)

Straylight Run

Your name here.
Believe me, it's not what you think.
Wish what you want.
It's over.
Same to me.
Well, not really.
But anyways.
It's just it's nothing so simple.
Nothing so silly.
Nothing so mundane.

Go east on Sunrise Highway,
Turn left at Carmen's Avenue.
Go right at the first stoplight
And I'll be outside waiting for you.
Ooh, I'll be waiting for you.

Your name in lights.
It was only a matter of time.
Your name in parenthesis.
Cause after this mess,
I guess you'd bet
That I'd collapse before you do.
Well, maybe that's true.
Or maybe it's not at all.

Go east on Sunrise Highway,
Turn left at Carmen's Avenue.
Go right at the first stoplight
And I'll be outside waiting for you.
Ooh, I'll be waiting for you.

Go east on Sunrise Highway,
Turn left at Carmen's Avenue.
Go right at the first stoplight.
And I'll be outside waiting for you.
