

Before It's Too Late

Scene of Riding Bicycle

I wandered through fiction to look for the truth
Buried beneath all the lies
And I stood at a distance to feel who you are
Hiding myself in your eyes
And hold on before it's too late
We'll run 'til we leave this behind
Don't fall, just be who you are
It's all that we need in our lives
And the risk that might break you
Is the one that would save
A life you don't live is still lost
So stand on the edge with me
Hold back your fear and see
Nothing is real 'til it's gone
And hold on before it's too late
We'll run 'til we leave this behind
Don't fall, just be who you are
It's all that we need in our lives

So live like you mean it
Love 'til you feel it
It's all that we need in our lives
So stand on the edge with me
Hold back your fear and see
Nothing is real 'til it's gone
Hold on before it's too late
We'll run 'til we leave this behind
Don't fall, just be who you are
It's all that we need in our lives
And hold on before it's too late
We'll run 'til we leave this behind
Don't fall, just be who you are
It's all that we need in our lives
It's all that we need in our lives
It's all that I need in my life
