

There'll Be Sad Songs (To Make You Cry)

Billy Ocean

Sometimes, I wonder by the look in your eyes
When I'm standing beside you
There's a fever burning deep inside
Is there another in your memory?
Do you think of that someone
When you hear that special melody? I always stop and think of you especially
When the words of a love song
Touch the very heart of me There'll be sad songs to make you cry
Love songs often do
They can touch the heart of someone new
Saying I love you I often wonder, how it could be
You loving me
Two hearts in perfect harmony
I count the hours until that day
A rhapsody plays
A melody for you and me Until the moment when you give your love to me
You're the one, I care for
The one, that I will wait for There'll be sad songs to make you cry
Love songs often do
They can touch the heart of someone new
Saying I love you There'll be sad songs to make you cry
Love songs often do
They can touch the heart of someone new
Saying I love you You're my desire
You take me higher
My love is like a river running so deep I always stop and think of you especially
When the words of a love song
Touch the very heart of me There'll be sad songs to make you cry
Love songs often do
They can touch the heart of someone new
Saying I love you There'll be sad songs to make you cry
Love songs often do
They can touch the heart of someone new
Saying I love you Saying I love you
I love you
