Don't Walk Away

Chasen

You're the dream
I've been dreamin about
Finally there is no doubt
that You are the one
and
Every time that moon night shines the stars come out
And I'm captured by You and Your beauty

You're amazing to my eyes
You're the reason I'm alive
And I I love You.
Believe me when I say that
You complete my every day and
I can't live without You

I'm at a loss for words and I can't go on
Frozen here within Your glow a smile can captivate me
There's nothin between You or
I been loving You at first sight
You, You fascinated me.

You're amazing to my eyes
You're the reason I'm alive
And I I love You.
Believe me when I say that
You complete my every day and
I can't live without You

Don't Walk Away cause
I'm not over You
Just let me stay here in
Your embrase I'm singin

Don't Walk Away
Don't Walk Away
Don't Walk Away
Keep comin closer
Keep comin closer now.
Don't Walk Away
Don't Walk Away

Don't Walk Away
Keep comin closer
Keep comin closer now.

You're amazing to my eyes
You're the reason I'm alive
And I I love You.
Believe me when I say that
You complete my every day and
I can't live without You.
