Captain Jack

De Dannan

Saturday night and you're still hangin' around
Tired of living in your one horse town
you'd like to find a little hole in the ground,
for awhile..
So you go to the village in your tie dyed jeans
And you stare at the junkies and the closet queens
It's like some pornographic magazine
And you smile
(chorus)
Captain Jack will get you high tonight
And take you to your special island
Captain Jack will get you by tonight
Just a little push, and you'll be smilin'
Oh yeah,...
Your sister's gone out, she's on a date
You just sit at home and masturbate
Your phone is gonna ring soon, but you just can't wait
For that call
So you stand on the corner in your New English clothes
and you look so polished from your hair down to your toes
Ah but still your fingers gonna pick your nose
After all,..

(chorus)
So you decide to take a holiday
You got your tape deck and your brand new Chevrolet
Ah, there ain't no place to go anyway
What for?
So you got everything, ah, but nothing's cool
They just found your father in the swimming pool
And you guess you won't be going back to school
Anymore.
(chorus)
So you play your albums, and you smoke your pot
and you meet your girlfriend in the parking lot
Oh but still you're aching for the things you haven't got
What went wrong?
And if you can't understand why your world is so dead,
why you've got to keep in style and feed your head

Well you're 21 and still your mother makes your bed,
And that's too long
(chorus)
