## Ameritz - Tributes

Is it worth it?  
A new winter coat  
And shoes for the wife  
And a bicycle  
On the boy's birthdayIt's just a rumor  
That was spread around town  
By the women and children  
Soon we'll be shipbuildingWell, I ask you  
The boy said, "Dad  
They're going to take me to task  
But I'll be home by Christmas"It's just a rumor  
That was spread around town  
Somebody said  
That someone got filled in  
For saying that people get killed  
In the results of their shipbuildingWith all the will in the world  
Diving for dear life  
When we could be diving for pearlsIt's just a rumor  
That was spread around town  
A telegram for a picture postcard  
Within weeks  
They'll be reopening the shipyard  
And notifying the next of kin once againIt's all we're skilled in  
We will be shipbuildingWith all the will in the world  
Diving for dear life  
When we could be diving for pearls
