

# Let It Grow

## Dear Henry Bliss

Let it grow let it blow let it grow  
Let it go let it grow let it grow I like to watch it grow so sweat  
I like to watch the growing of the meat  
I like to watch it grow so slow  
I like to watch it when it grows Let it grow let it blow let it grow  
Let it go let it grow let it grow I like to watch it grow so fast  
I like to pick up in aghast  
I like to watch it grow so slow  
I like to watch when it grows Let it grow ooh yeah  
Ooh yeah embryo embryo embryo
