Keep On

Shawn Phillips

Mama
When you coming home
Mama
When you coming homeMama
You don't have to roam
Mama
You know you're coming homeIf you look over there babe
You know you might find
Somethin' over there
Gonna blow your mindMama
When you coming home
Mama
You don't have to roamMama
It's another day
Mama
You know that you can stayYou can stay
Yes I keep on telling you
To keep on keeping on
I keep on telling you
To work it on outKeep on telling you
To keep on keeping on
I keep on telling you
To work it on outMama
It's another day
Mama
You know that you can stay
You know that you can stayIf you look over there babe
You know you might find
Somethin' over there
Gonna blow your mindIf you look over there babe
You know you might find
Somethin' over there
Gonna blow your mind
