Keep On

Shawn Phillips

Mama

When you coming home

Mama

When you coming homeMama

You don't have to roam

Mama

You know you're coming homeIf you look over there babe

You know you might find

Somethin' over there

Gonna blow your mindMama

When you coming home

Mama

You don't have to roamMama

It's another day

Mama

You know that you can stay You can stay

Yes I keep on telling you

To keep on keeping on

I keep on telling you

To work it on outKeep on telling you

To keep on keeping on

I keep on telling you

To work it on outMama

It's another day

Mama

You know that you can stay

You know that you can stayIf you look over there babe

You know you might find

Somethin' over there

Gonna blow your mindIf you look over there babe

You know you might find

Somethin' over there

Gonna blow your mind
