

# Someday Soon

[Terra Naomi](#)

Advisory - the following lyrics contain explicit language:

Lead the way, I'm waiting for you  
Since the day that I first saw you  
Seems like I've been living someone else's life  
And I hope that you can help me see  
That every passing moment's not passing me by  
When I see it through your eyes  
I believe...And someday soon, you'll see  
This isn't easy  
This isn't easy for me  
Set you free tonight  
This isn't easy  
This isn't easy but it's right  
Caught between the space of you & me  
I know I'm better letting you be  
And lately I've been someone else's fight  
And I know that there will come a time  
when you will leave me far behind  
I'll try not to care,  
I'll tell myself it's nothing personal  
And someday soon, you'll see  
This isn't easy  
This isn't easy for me  
Set you free tonight  
This isn't easy  
This isn't easy  
But, it's right...And I know that I will someday see  
The meaning of this life of you & me  
Looking back  
From a place of peace.
