Bravehearts

Oochie wally wally, oochie bang bang
Oochie wally wally, oochie bang bang
Oochie wally wally, oochie bang bang
Oochie wally wallyHe really really really fucked my coochie
He really really really turned me out
He really really really got to gut me
He really really made me scream and shoutHe really taught me how to work my body
He really taught me how to do it with my mouth
He really really tried to hurt me hurt me
I really love his thug and gangsta styleYeah, what up ma, take a look, you hypnotized
On how my long dick stretch your insides
For real ma, with your thick lips and thick thighs
Stoke both holes, pass it to NasOr pass it to Naish, or pass it to Jung
Or pass it to Horse, then that ass gettin' tossed
Fuck a hustler book, penthouse or black tale
I got bitches sendin' my niggas flicks in jailI fuck a bitch face more than her waist for real
And ain't no pussy like new pussy thats how a nigga feel
Bust three times throw her the peace sign
She sleep then my dick sleek and I ain't gotta call her for weeksLong leg hoes, mo'head hoes, married bitches
Me and my dog fuckin' them both they got us switchin'
Is the nigga gangsta? Yeah, that's how I'm livin'
That's how I'm playin' I got these freak fuckin' hoes singin'Oochie wally wally, oochie bang bang

He really really made me scream and shoutLittle young thing go around my dick with your tongue ring
Deep throat my nine inch, gut from the front and
Grind from the side and, fuck from behind and
Grab her hair slap her ass, she screamin' like she dyin'Make her come four times without even tryin'
I'll beat that pussy up there's no denyin'
Hit her where she doodie at, make that booty fat
Little cutie rat, walking by with the doobie wrapTight blue jeans, air max small Gucci bag
No loot and no job stay home giving blow jobs
Like no prob, it's simple
Holla out the window it's the project nymphoFuck my whole crew, you know how we do
you got that good pussy I can share with my peoples
Be a brave girl, do your thang

Let them tities hang, I'll have all the bitches sayin'Oochie wally wally, oochie bang bang

Oochie wally wallyHe really really really fucked my coochie
He really really really turned me out
He really really really got to gut me
He really really made me scream and shoutWhen it comes to sex I'm similar to the thriller in manilla
Bitches call me Horse the pussy filler
I'll fuck a big boned or slim chick
Beat that pussy up real quick then send home the bitchAin't no sleepin' in my bedroom when Henny's in my
dick
When Flex drop the bomb I bust a nut on this bitch
Deep throat, ceaser gold or pun wicked hoes
Who like the way I thug and the way I flowI like head in the Benz, the four door or the Coupe
Head in the staircase, the cellar or the roof
Head in the studio, the bathroom or the booth
Head from a project chick or one with crazy lootLike Nia Long in a cherry thong with the lights on
Sippin' Perignon with Kelly Price on
I pull out my python, I hit it while my wife's gone
Long dick the bitch all night, I'll make her pussy sing the songOochie wally wally, oochie bang bang
Oochie wally wally, oochie bang bang
Oochie wally wally, oochie bang bang
Oochie wally wally, Oochie bang bangOochie wally wally, oochie bang bang
Oochie wally wally, oochie bang bang
Oochie wally wally, oochie bang bang
Oochie wally wally
