

Little Things

Good Charlotte

Like the time in school when we got free lunch
And the cool kids beat us up (reduced lunch)
And the rich kids had convertibles
And we had to ride the bus (55)
Like the time we made the baseball team
But they still laughed at us (you still suck)
Like the time that girl broke up with me
Cause I wasn't cool enough (Trip)
The little things
Little things they always hang around
The little things
Little things they try to break me down
The little things
Little things they just wont go away
The little things
Little things made me who I am today
You wanna hate me now
But I won't stop now cause
I can't stop now
Like the time mom went to that institute
Cause she was breaking down
(I just can't take it)
Like the car we had that wouldn't start we had to walk to get around
(Can I get a ride?)
And that same year on Christmas Eve

Dad went to the store
(Uhh see you guys later)
We checked his room his things were gone
We didn't see him no more (dick)
The little things
Little things they always hang around
The little things
Little things they try to break me down
The little things
Little things they just wont go away
The little things
Little things made me who I am today
You wanna hate me now

But I won't stop now cause
I can't stop now
The little things
Little things they always hang around
The little things
Little things they try to break me down
The little things
Little things they just wont go away
The little things
Little things made me who I am today
