Pepper-Tree

Cocteau Twins

Gotta, gotta, gotta gain his voice
On pepper tree
Harden, harden, harden don'ts and won'ts
My easel sheYou gotta, gotta, gotta gain his voice
On purple scotch
Harden, harden, harden don'ts and won'ts
My easel touchGain his voice
On pepper tree
Heart's been swallowed whole
Who's real muse and sheYou gotta, gotta, gotta gain his voice
On purple scotch
Harden, harden, harden don'ts and won'ts
My easel touchGain his voice
On pepper tree
Heart's been swallowed whole
Who's real muse and sheHeart's been swallowed whole
Who's real muse and sheYou gotta, gotta, gotta gain his voice
On purple scotch
Harden, harden, harden don'ts and won'ts
My easel touch
