

I'm Sorry

[John Denver](#)

It's cold here in the city, it always seems that way
And I've been thinkin' about you almost everyday
Thinkin' about the good times, thinkin' about the rain
Thinkin' about how bad it feels alone again
Im sorry for the way things are in China
Im sorry, things ain't what they used to be
But more than anything else, Im sorry for myself
'Cause youre not here with me
Our friends all ask about you, I say youre doin' fine
I expect to hear from you almost anytime
They all know Im cryin', I cant sleep at night
They all know Im dyin' down deep inside
Im sorry for all the lies I told you
Im sorry for the things I didn't say
But more than anything else, Im sorry for myself
I cant believe you went away
Im sorry if I took some things for granted
Im sorry for the chains I put on you
More than anything else, Im sorry for myself
For livin' without you
