

You Can't Lie to a Liar

[Dan McCafferty](#)

You can't lie to a liar, don't try
You can't cheat on a cheater, I'll tell you why
You see I lied myself before, and I think I know the score
You don't love me anymore You can't sin on a sinner, you're goin' to regret it
You can't fake on a faker now, you'd best forget it
You see I fooled around before, and I think I know the score
You don't love me anymore Well, I lied and I cheated
But I never, never thought I'd have it done to me
Now you've gone just as far as I'm goin' to let you go
I'm not goin' to let you make a fool of me You can't lie to a liar, don't try
You can't cheat on a cheater, I'll tell you why
You see I lied myself before, and I think I know the score
Well, you don't love me anymore Well, I lied and I cheated
But I never, never thought I'd have it done to me
Now you've gone just as far as I'm goin' to let you go
I'm not goin' to let you make a fool of me You can't lie to a liar, now don't try
You can't cheat on a cheater, I'll tell you why
You see I lied myself before, and I think I know the score
Well, you don't love me anymore You see I lied myself before, and I think I know the score
Well, you don't love me anymore
You know I lied myself before, and I think I know the score
Oh, you don't love me anymore
