No One Else Knows (Demo)

Building 429

My world is closing in
On the inside
But I'm not showing it
When all I am is crying out
I hold it in and fake a smile
Still I'm broken
I'm broken
Only one can understand
And only one can hold the hand
Of the broken
Of the brokenWhen no one else knows how I feel
Your love for me is proven real
When no one else cares where I've been
You run to me with outstretched hands
And You hold me in your arms
AgainI need no explanation of why me
I just need confirmation
Only You could understand the emptiness inside my head
I am falling
I am falling
I'm falling down upon my knees
To find the one who gives me peace
I am flying
Lord I am flyingWhen no one else knows how I feel
Your love for me is proven real
When no one else cares where I've been
You run to me with outstretched hands
And You hold me in Your arms
Again
